CELEBRATED ARABIAN LINIMENT NYERY family should at once procure a bottle of the FARRELL'S ARABIAN LINIMENT. It allays the most intense pains in a few minutes, restores the synovial fluid of joint water, and thus cures stiff joints; it penetrates the flesh to the bone, relaxes contracted cords, cures rheumatism and palsied limbs of twenty years standing; also tumors, swelled neck, enlargement of the glands, and is the best medicine for ailments of cattle ever discovered, caring sweeny, spayins, splint, and all diseases which require an external ap-

Sun Pain of 10 years standing cured by H. G. Farrell's Arabian Liniment.

Mr. H. G. Farrell - Dear Sir: I had been afflicted with the "Sun Pain" for the last ten years, and could never get relief execept by bleeding, but by the use of H. G. Farrell's Arabian Limment, applied over the temples about three or four times a day, it was entirely removed, and I have felt noth-ing of it since. I went into the stable one night, to apply it to a horse's leg, and being very lame be stumbled and fell against my legs, crushing and bruising them so badly that they turned black as my hat, rendering them powerless. I applied your Liniment, and was well enough in a few days to go about again as usual. I also crushed my finger in a shocking manner, by leiting a back log fall upon it; your Lin-shocking manner, by leiting a back log fall upon it; your Lin-inout soon healed it up, though. JOHN B. MIGEE. iment soon healed it up, though. JOHN B. 1 La Salle precinct, Peoria co., Ill., Feb'y 6, 1849.

[Esq. Barker, of New Canton, Ill., says:] Mr. R. G. Farrell's Arabian Liniment has cured some bad Mr. H. G. Farrell's Arabian Limiment has cured some bad cases here, which every other remedy had failed in; one was a white swelling and contracted cords in the leg of a boy twelve years old. The leg had withered away, and was so intracted that he had no use of it. Three doctors had tried eir skill upon it in vain, and he was fast sinking to the large, when the boy's father was induced to try H. G. Farrell's Arabian Liniment. Before the first bottle was used up he came to Mr. B.'s store, and the first words he said ware "Mr. Barker, I want all that Liniment, you have in were, "Mr. Barker, I want all that Liniment you have in the store; the one bottle I got did my boy more good than all that had ever been done before." That boy is now well and hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeil exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell,

sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Farrell's, thus—H. G. FARRELL'S and his signature on the sympper, all others are counterfeits.

The following commendation is from an agent resid ing at Treaton. Tennessee.

TRENTON, Gibson County, Tenn., Nov. 7, 1848.

Messis, Scoule & Mean—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this. Plaster for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the arm-pit, and occasionally she could scarcely breathe. She was confined for a considerble time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the He-brew Plaster, and it relieved her almost imministely, and new she keeps a supply of it on hand constantly. Besides those complaints which have been named, the Philotoken may be used with advantage in Fluor Albus, Prolypsus Uteri, Gravel, Dropsy, Dyspepsia, and even in Consumption. In some of these, auxiliaries will be required to perform a cure, and in others, it can act

only as an auxiliary, or a palliative to remove the temporary suffering. The Philotoken is not offered as a cure for all the ills which flesh is beir to, but as a remedy and preventive for a certain class of complaints in which it is warranted to do all that is here set forth, or that medicane directed with experience and skill can.

MOULTON, ALA., July 20, 1851. Dr. Chas. Whiliams - Dear Sir; -I embrace the present opportunity of addressing you a few lines relative to your Pulmonic preparation of Wild Cherry, which you have introduced to the notice of the public. I have all my life been opposed to all secret remedies, but after my interview with you last Spring, and from the information you imported to me relative to the ingredients of which your excellent preparation is composed, I felt no hesitation in trying your preparation in my case, and am pleased to say it fully justified the favorable impression I had entertained of its efficacy in affections of the Lungs. I also prescribed your preparation to many of my patients with the greatest success. I am also informed by my triend Dr. Jenkins, of Hillsboro' that he has found it in his practice to be a most valuable Anodine Expectorant in all cases that have been under his observation. I would suggest to you the propriety of having your agent always fully supplied in this place, as I found that your agent here had entirely sold out all you had forwarded him. I take great pleasure in recommending your valuable preparation as a most efficient remedy in all Pulmouter iffections and the best Anodine Expectorant with which I un acquainted.
